**Attachment: ASHRAE SPONSOR PACKAGE for Super CRC 2016, Bangkok, Thailand**

ASHRAE (American Society of Heating, Refrigerating, and Air-Conditioning Engineers) consists of 14 regions. Regions 1-12 are within the United States, and the two other regions located outside the United States are Region X-III and Region At Large (RAL). Each region holds its annual meeting every year with the region and rotates through each of the member countries. Our Region X-III includes Hong Kong, Singapore, Malaysia, Thailand, Philippines, Indonesia, Taiwan, Japan, and Korea.

Thailand became a member country in 2000 and has since hosted the annual meeting twice; this year will be the third time. Approximately 300 people attended the previous meeting in Region X-III, but this year's meeting will be a joint event with Region At Large (RAL), which consists of 25 Chapters from 20 countries. More importantly, the Executive Directors of ASHRAE Society has requested to hold its annual meeting immediately following this joint regional meeting. This is the first time in more than 100 years that ASHRAE is organizing its meeting outside the United States. Therefore, this grand event is now called "**Super CRC-2016, Bangkok, Thailand,**" and approximately 750 attendees and followers, about 650 of which are foreigners, are expected to join this event.

The aforementioned meeting will feature academic lectures, followed by ASHRAE Committee meeting for each region including the ASHRAE Society itself. This historic event will be held at Centara Grand Hotel at Central Ladprao from September 29<sup>th</sup> to October 2<sup>nd</sup>, 2016, followed by the ASHRAE Society Executive Committee meeting from October 4<sup>th</sup> to October 6<sup>th</sup>, 2016.

Since this is an extremely important event that is quite costly to organize, the Organizing Committee would like to ask for your generosity in supporting this event through various forms of sponsorship, either through luncheon and dinner sessions. For more information, please see the attached document.

Yours Sincerely

A handwritten signature in black ink, appearing to read "A. Lumlertpongpana", is written over a horizontal line.

Dr. Apichit Lumlertpongpana  
ASHRAE Super CRC-2016 General Chair.
